Summary of Stewardship plans for 2013-14 for the Finance Committee. Al Brunsting, Chair Stewardship, June 24, '13.

Stewardship Vision: 100% discipleship not donors.

Stewardship Goal: Growing in your discipleship. Tithing is the norm rather than the exception.

Stewardship Mission: Educate the congregation on the tool of tithing.

1. Summer tithing of garden, time, & service
2. Fall tithing in signing up for church ministry in service.
3. Thanksgiving tithing signing up for church ministry in dollars.

The Stewardship team will work with Pastor Grace to implement this vision in the coming summer 2013 through spring 2014.
