

Stewardship report to the Church Council meeting of Mar. 13, '13.
by Al Brunsting, Chair of Stewardship

As of Jan.29 there were 167 pledges to the Operating Budget for a total of \$626,297. As of Feb. 11 there were 49 pledges to Missions for a total of \$31,210. I am expecting that these numbers will be updated by the time of our meeting.

Stewardship and Missions committees partnered to conduct the Missions Pledge Campaign. Stewardship gave presentations to all adult Sunday School classes. Missions originated all the other information in our other news outlets. Pastor Melissa was an important contributor to this. Missions provided the lay speakers for our worship services for this pledge drive. A big grunt job is the assembly and mailing of 400+ pieces, including pledge cards, to our potential donors.
