

## Christian Education Team

March 2014

We are still waiting for a paid Christian Education Director to be hired. We know things have fallen through the cracks and we are sad about how that affects our children and the congregation.

### Children's Church

-Thank you to Nick Giannasi for leading it the last few months. Beth Hagemeyer will be leading Children's Church starting March 16<sup>th</sup>. She will lead until a CE Director is hired, hopefully by May 1. Betsy Roche will be coordinating two volunteers to assist at the 8:30 and 11:00 services. Please contact her if you're interested in helping.

### Sunday School

-We were excited for the 4 year olds through 5<sup>th</sup> grade classes to learn from the Confirmands and Mentors about Imagine No Malaria on March 2<sup>nd</sup>. They watched a video, learned about the special nets, and made mosquitos to take home.

-We will have a one-room schoolhouse on Easter Sunday from 10:15-10:45. That way families can have Easter Breakfast together before the children have their time with Pastor Sarah.

-Last Sunday before summer for adults and children will be June 1<sup>st</sup>.

### Vacation Bible School

-Dates are June 16-20. More information to come.
