

Christian Education Team  
May 2014

We are still anticipating a paid Children's Education Director will be hired. We look forward to the vision and creativity that a new CE person would bring to our team. We are working hard to maintain the programs in place during this time of waiting.

#### Children's Church

- Beth Hagemeyer will continue leading Children's Church along with other volunteers. Betsy Roche will be coordinating two volunteers to assist the lead teachers at the 8:30 and 11:00 services. Please contact her if you're interested in helping.

#### Sunday School

-The last Sunday before summer for adults and children will be June 1<sup>st</sup>. There will be no summer Sunday School for children. We will begin recruitment for the 2014-2015 year soon. Please consider how you would like to serve our children during the next school year!

#### Vacation Bible School

-We will be using the "Workshop of Wonders" curriculum from Cokesbury. We will be doing VBS with Wesley and First Congregational and using the North Central New Beginnings team. Dates are June 16-20 from 1-4 pm. Register your children as participants or yourself as a volunteer online at [tinyurl.com/uvbs2014](http://tinyurl.com/uvbs2014)

We recently purchased new highchairs for use in Fellowship Hall. Thank you to our volunteers for shopping and putting them together.

Respectfully submitted,  
Beth Hagemeyer
