

Mission Committee Report to the Church Council
July 9, 2014

U.S. Spring Mission Trip – Spring 2014 – A team of eight went to Brookport Illinois from May 18th to May 23rd. This area was heavily hit by tornado on Nov. 23, 2013. The team completed the floor of a house during the five days they were onsite. Much work still needs to be completed in this area since many of the homes had little or no insurance. The missions committee is considering a second trip to Brookport the week of Oct. 19. Check out the bulletin board on the first floor for details on the most recent trip.

Feed My Starving Children: The missions committee has decided to support this effort again in 2015. More details to follow in the next report.

Imagine No Malaria: The CUMC confirmation class delivered 20 mutant, virulent mosquitos to the Missions Committee during its June meeting. We are researching additional ways to keep this mission going into 2015. Imagine No Malaria will be added to the CUMC Second Mile giving list in 2015.

Rainbow Covenant: The missions committee is evaluating CUMC status as a potential 2014 Rainbow Covenant Church.

Mission U: Pat Becker and Mari from the Missions Committee will be attending the UMW Missions University from July 17-20.

Respectfully submitted,
Pat Becker
Chair, Missions Committee
