

Staff-Parish Relations Committee

During the Spring, SPRC sought input from the congregation through church-wide forums. We heard about hopes and dreams and received feedback and ideas on staff and/or volunteer roles and responsibilities. We are in the process of extracting themes and recommendations from those comments and congregation discussions.

SPRC is now beginning a year of discernment to determine our staffing needs for the long term. Open roles and responsibilities are being filled with interim staff or volunteers during the discernment process.

SPRC continues to work on finalizing the Employee Guidebook. Select non-exempt employees are trialing a new time sheet.

We welcome Dawn Roth, Christian Education Coordinator; Lauren Rheingans, Director of Congregation Care; and Chris Garofalo; Director of Music Ministries and Organist.

Betsy Roche, Chair
