

Hunger Commission Report September 2014

- Thirty-nine “homeless lunches” have been distributed during the first half of 2014, equaling the total handed out for all of 2013. Items needed to restock include fruit cups and bars, peanut butter/cheese crackers, bottled water and juice boxes.
- Our “food of the month” drive continues to bring in nonperishable items for delivery to Loaves and Fishes. Thanks to the Leventrys for getting our contributions to Quincy Av.!
- Tithing of garden produce has gone well throughout the summer months, with a nice variety of vegetables being shared.
- The school supply collection drive is close to completion for this year. Information has been distributed for items needed, somewhat different from previous years.
- The following UMCOR projects will be funded:
 - Advancing Food Security through Organic Agriculture in Brazil(3020559) - \$1,000.
 - Indigenous Women’s Vegetable Gardening and Leadership Project in Guatemala(3021566) - \$1,000.
 - Water@Work: Community Based Water Filtration Programs(3021988) - \$1,000.
