U.S. Fall Mission Trip – Oct. 2014 2014 – A team of nine are scheduled to return to Brookport Illinois the week of Oct. 19. This area was heavily hit by tornado on Nov. 23, 2013. While many homes have been rebuilt, many more remain to be completed. Check out the bulletin board on the first floor for details on the Spring recent trip.

Feed My Starving Children: Planning has begun on this project. The dates are Feb. 15-16, 2015. The event will be held at North Central College. We want to increase our participation to 60 individuals.

Imagine No Malaria: No Malaria will be added to the CUMC Second Mile giving list in 2015.

Rainbow Covenant: CUMC has contributed to all bands of Rainbow Covenant for 2014 and will submit our application in Jan. 2015.

Honduras Missions Trip Planning: Work has begun to plan the 2015 Mission trip to Honduras. The trip is tentatively planned for March 20 to 29, 2015. Look for signs around the church discussing the issues and needs within Honduras.
