

Evangelism Committee Report for Community Church Council – February 17, 2016

The Evangelism committee is meeting monthly with Pastor Sarah..

Our focus in the fall was on encouraging CUMC members to invite persons to Christmas Eve services. Suzanne Wills prepared an attractive card for members to use to invite others. Approximately 400 cards were distributed. Attendance at all four services was 565.

We are improving the number of people signing the sign in sheets on Sunday morning and improving the speed in which we identify first-time guests.

Future plans include encouraging members to invite people to church on Easter, continuing to improve our follow up procedures, listening to new members share their experiences walking into church for the first time, recruiting more greeters, and improving the number of people using name tags.

Sincerely,

Lynn Pries
Chairperson of the Evangelism Committee
