

## **Hunger Commission Report July 2014**

- An appeal for letters to Congress was completed as part of Bread for the World, focused on reforming U.S. food aid. Publicity was generated via a Sunday bulletin insert.
- Commission member Nicole Hubert delivered to Loaves and Fishes 187 pounds of food in support of local efforts to feed those in need.
- The sack lunch program for homeless and needy individuals who stop by the church continues to operate on an efficient basis. Currently there is a need for individual cans of tuna, chicken salad, fruit and peanut butter/cheese and crackers.
- A number of church members participated in/supported the sharing of plants from their gardens and the tithing of garden produce is well under way!
- The following UMCOR projects will be funded. These are the Advance Specials that were approved in March but in different amounts.
  - Combine Agriculture Program, Mozambique(3020561) - \$500.
  - Accessibility to Clean Water, Ghana(3021026) - \$1,000.
  - Mechanizing Women's Palm Oil Processing, Ghana(120002) - \$1,000.
