

1. At this time the trustees are not going to install a second sump pump in the sanitary pit that removes waste water from the 2000 bathroom/elevator project.
2. paperwork for the new sign for CUMC (lighted with EMB, four lines) has been submitted to the City of Naperville for a building permit. 8*-22-14.
3. Progress has been made on a new key card entry, additional info pending trustees meeting on 9-8-14.
4. workday has been approved for 10-11-14, all are welcome. additional info will be forthcoming in the next few weeks.
5. light bulb engineer to be elected at the next trustee meeting.

Thank you,

Jim McCloud
