

## **CUMC Finance Committee Chair's Report to April 13, 2016 Church Council Meeting**

The Finance Committee met on March 21, 2016.

### Building Committee

There was unanimous Finance Committee support for the Finance Committee receiving "Monthly Building Committee reports of budgeted vs. actual revenue and expenses."

### Credit Cards

I have appointed a "Task Force on Credit Card Policy Update." It is chaired by Bill Matthews and has, as members, Paul Dude, Brenda DeGeer, Betsy Roche and Pastor Grace Imathiu. It will meet sometime after April 18 and recommend to the Finance Committee, updates, if any, to the Church's Financial Policies about credit cards. A two-page legal update on the subject is on the Finance Committee web page.

### Boxes of Paper Records

Additional paper shredders have been obtained for the church, ready for a volunteer work project to reduce the mountain of boxes of church documents needing shredding.

### Audit of 2015 Financial Books

The Audit Committee, consisting of Bill Matthews as chair, with members Paul Dude and Brenda DeGeer, will be meeting sometime after April 18.
