Song

Our Love Is Loud
by David Crowder

Verse 1

*When we sing, hear our songs to you.
When we dance, feel us move to you.
When we laugh, fill our smiles with you.
When we lift our voices louder still,
can you hear us?
Can you feel?*

Chorus [x2]

We love you, Lord, we love you, we love you.

Verse 2

*When we sing loud, hear our songs to you.
When we dance around, feel us move to you.
When we laugh aloud, fill our smiles with you.
When we lift our voices louder still,
can you hear us?
Can you feel?*

Chorus

Bridge [x4]

*And our love is big, our love is loud.
Fill this place with this love, now.*

Chorus

Ending [repeats]

*We lift our voices louder still,
our God is near, our God is here.*

Big House
by Audio Adrenaline

*It's a big, big house, with lots and lots of room.
A big, big table, with lots and lots of food.
A big, big garden, where we can play football.
A big, big house, it's my Father's house!*

Children are invited to come forward as all join in singing this song.

Song

I Refuse

by Ben Glover and Josh Wilson

Verse 1

*Sometimes I, I just wanna close my eyes,
and act like ev'ryone's alright, when, no, they're not.
This world needs God, but it's easier to stand and watch.
I could say a prayer and just move on like nothing's wrong.
But I refuse.*

Chorus

*'Cause I don't wanna live like I don't care.
I don't wanna say another empty prayer,
oh, I refuse to sit around and wait for someone else
to do what God has called me to do myself.
Oh, I could choose not to move, but I refuse.*

Verse 2

*I can hear the least of these crying out so desperately,
and I know we are the hands and feet of you, O God.
So if you say move, it's time for me to follow through.
And do what I was meant to do and show them who you are.*

Chorus

Bridge

*to stand and watch the weary and the lost cry out for help.
I refuse to turn my back and try to act like all is well.
I refuse to stay unchanged, to wait another day, to doubt myself.
I refuse to make one more excuse.*

Song

Everything Falls
by Steve Fee and Eddie Kirkland

Verse 1

*You said you'd never leave or forsake me,
when you said this life is gonna shake me.
And you said this world is gonna bring trouble on my soul, this I know.*

Chorus 1

*When ev'rything falls apart, your arms hold me together.
When ev'rything falls apart, you're the only hope for this heart.
When ev'rything falls apart, and my strength is gone,
I find you mighty and strong.
You keep holding on.
You keep holding on.*

Verse 2

*When I see darkness all around me,
when I see that tragedy has found me.
I still believe your faithful arms will never let me go.
And still I know.*

Chorus 1

Bridge

*Sorrow will last for the night.
But hope is rising with the sun.
It's rising with the sun.
And there will be storms in this life.
But I know you have overcome.
You have overcome.*

Chorus 2

*When ev'rything falls apart, your arms hold me together.
When ev'rything falls apart, you're the only hope for this heart.
When ev'rything falls apart, and my strength is gone,
I find You mighty and strong.
You keep holding on.*

Offertory

One

by Chris Sligh and Travon Potts

Verse 1

*Holding onto our beliefs,
like a child holds to its father.
It's like we're trying so hard to breathe
with our heads underneath the water.
Keep trying to find the balance
of our love and our convictions,
'cause we know that life in you
moves far beyond religion.*

Pre-Chorus

*We know, we know, we know, we know
that nothing else even matters but love.*

Chorus

*We keep trying to find way
to come together.
Lord, take these fears away
and make us one, one, one.
Lord, make us one, one, one.
Lord, make us one.*

Verse 2

*We are the face of Christ in a world of shadows.
Is it God's love we're fighting for,
or our denomination's ego?
We gotta let go of pride,
embrace the idea of diff'rence,
make unity our calling and move within forgiveness.*

Prechorus

Chorus

Bridge

*Imagine what could be, imagine what could change
if love was all that really mattered.
Would the light of Christ finally shine through me and you?
Holding on to our beliefs,
like a child holds to its father.
It's like we're trying so hard to breathe
with our heads underneath the water.*

Chorus

Tag

*Lord, make us one, one, one.
Lord, make us one.*

The Reason

by Travis Cottrell, Jeff Pardo, and Travis Ryan

Verse 1

*There's a reason I can sing,
there's a reason for this life inside me.
One name above all names:
Jesus, yes it's Jesus.
There's a reason for this hope,
there's a reason for this peace that I know.
One worthy of all praise: Jesus, yes it's Jesus.*

Chorus 1

*I will lift my hands up.
I will raise my voice high.
I will shout of your love till the day that I die.
Ev'rything that I have, all my worship I bring.
You're the reason I live, you're the reason I sing.
You're the reason I live, you're the reason I sing.*

Verse 2

*For the vict'ry over sin,
or the goodness of your grace each day.
I will bow and bless your name.
Jesus, yes it's Jesus.*

Chorus 1

Chorus 2

*Hallelujah! Hallelujah! Hallelujah!
You're the reason I live,
you're the reason I sing.*

Verse 3

*When my time on earth is through,
when my final breath has left these lungs.
I'll forever be with you,
where the song goes on and on!*

Chorus 3

*I will lift my hands up.
I will raise my voice high.
I will shout of your love till the day that I die.
Ev'rything that I have, all my worship I bring.
You're the reason I live, you're the reason I sing.
I will lift my hands up.
I will raise my voice high.
I will shout of your love till the day that I die.
Ev'rything that I have, all my worship I bring.
You're the reason I live, you're the reason I sing. [x2]*
